

## Securities Law Update

### Webinar hosted by the National Association of State Treasurers

July 2022

Brian Garzione led the discussion on the SEC Staff Legal Bulletin (the “SLB”) and the SEC Statement on COVID-19 disclosure.

The SLB summarizes certain previous SEC statements regarding the application of the antifraud provisions of the federal securities laws.

The SEC Statement on COVID-19 disclosure provides guidance on voluntary disclosure relating to the COVID-19 pandemic.
