

Moshiur Rahman

Associate

Moshiur serves as bond counsel and underwriter's counsel in connection with the financing of health care institutions, universities, colleges, preparatory schools and other 501(c)(3) organizations. He has experience working with a variety of state and local issuers on tax-exempt and taxable revenue bond transactions. Moshiur is committed to helping clients navigate complex financings to achieve their strategic goals, with a focus on institutions that serve the public good.
